

TOTAL VEHICLE SOLUTIONS

Job Description

Job title: Steel Welder Fabricator

Location: Eurocentral, Scotland

Reports to: Area Chargehand.

General Description:

The TVS Group has developed a team of highly-skilled and committed people who are contributing their expertise throughout all areas of our business. We consider each and every one of our employees to be a vital part of our success and in return for helping us be successful, we strive to offer a good work life balance and regular staff training. Our employees enjoy the benefit of modern office and workshop facilities with the workshops fully equipped with quality tooling and extensive lifting equipment. Our welfare areas have all the comforts of home and are regarded as the best in the area by both staff and contractors

The hours are Monday to Friday- 40 hours per week.

Duties and Responsibilities:

- Manufacturing a range of subframes and assemblies for commercial vehicles aided by SOPs and CAD drawings.
- To ensure compliance with all aspects of Health & Safety
- To ensure equality and diversity is actively promoted in the workplace
- Other duties as required by Line Manager

Experience, knowledge & skills:

Essential

- Experience of working as a steel Fabricator.
- Steel Welding.
- Working from Engineering drawings.
- Accurate use of a tape measure.
- Knowledge of materials used (box, angle & tube).
- Good time keeping skills.
- Able to work on independently and as part of a small team.
- Working from a time sheet.

Preferred

- Counterbalance FLT Licence.
- Overhead Crane Licence.

Personal qualities required:

This role would ideally suit someone who has good time keeping skills, a keen eye for detail and a good team player who understands the importance of getting the job done in a safe but timely manner.
